Sub: Online distribution of allotments through the Orissa Treasury Portal in the internet by all Department to Controlling Officers and DDOs for the financial year 2010-11

Madam/Sir,

In inviting a reference to the subject mentioned above, I am directed to say that the Annual Budget for the year 2010-11 has been placed in the Orissa Legislative Assembly on 22.06.2010. Preparatory steps are necessary at all level for distribution of allotment for the year 2010-11. However, the expenditure can be incurred only after appropriation bill is enacted which will be duly communicated by Finance Department.

The distribution of allotment relating to salary related expenditure can be made in the iOTMS w.e.f. 26.7.2010. As per the previous practice, Departments will distribute the allotment to the Controlling Officers and who in turn will allocate the same among the Drawing and Disbursing Officers using their respective user ID and Password. The provisions relating to other expenditure shall be available for distribution in the Orissa Treasury Portal after the enactment of the appropriation bill.

It may be further pointed out that the reports relating to the allotment for the DDOs will be available in the Orissa Treasury Portal (www.orissatreasury.gov.in) which can be accessed through the internet by all DDOs. The DDOs can take print out of the report relating to allotment and prepare and submit the bill accordingly to the Treasury. The Treasuries have been directed separately not to insist on ink signed copy of allotment letters for passing of the bills.

This may kindly be treated as most urgent.

Yours faithfully,

23/7/10
