Dear Chief Secretary,

As you are aware, the Central Civil Services Cultural and Sports Board in collaboration with the States and Union Territories organizes every year the All India Civil Services Tournaments in various sports disciplines, and a competition in Music and dance. These Tournaments are open to the civilian employees of the Central and State Government/Union Territory Administration. These not only provide an opportunity to the Central Government and State Government employees to meet and know each other in the field of Sports, but also help in fostering national integration. The list of sports in which All India Civil Services Tournaments are to be organized during the year 2008-09 is enclosed (Annexure).

2. I would request you kindly to send your acceptance for hosting atleast one or two All India Civil Services Tournaments in your State during the current year. I shall be grateful if confirmation to this effect is sent by 31st May, 2008 so that the annual calendar of All India Civil Services Tournaments is finalized, and the participating teams are informed accordingly in time.

With regards,

Shri Ajit Kumar Tripathi
 Chief Secretary
