**Principles on which provisional gradation list-2008 will be finalized:**

1. Direct recruited persons would be placed in the list in the same year below the promotees with effect from 13.12.1993 but prior to that the direct recruitees be placed above the promotee T.G.T.s. To this effect orders have been issued earlier.
2. The qualification of the teachers will be judged from the date of his acquiring B.Ed. qualification.
3. However, he will be adjusted as per the vacancy occurred in consequential vacancies. Seniority would be calculated as per the date of joining with regard to year of acquiring B.Ed. qualification.
4. In the case of tie, the date of superannuation principle will be adopted.
5. Now that the TGT posts are being filled up by Collectors, the total state vacancy in a particular year will be taken and for this the date of joining in the Deptt. and the date of acquiring B.Ed. qualification will be calculated in fixing the seniority in TGTs.
6. The qualification, seniority etc. will not be entertained in cases of contractual teachers unless they are absorbed in regular post and the date of absorption of posts will be treated as their date of entry into service and accordingly their seniority will be counted.
7. Errors, Omissions etc. should be brought to the notice of the Director, (ST & SC)-cum-Addl. Secretary to Govt. within the stipulated time to effect corrections, if any.
